

NOTICE OF PUBLIC HEARING TO CONSIDER THE ADOPTION OF A PROPOSED RULE AMENDING CERTAIN RATES, FEES, AND CHARGES FOR THE RESERVE COMMUNITY DEVELOPMENT DISTRICT

The Reserve Community Development District (“District”) will hold public hearings on Tuesday, December 9, 2025, at 1:30 P.M., or as soon thereafter as can be heard, at the District’s office, 2160 N.W. Reserve Park Trace, Port St. Lucie, Florida, for the purpose of hearing public comment and objections to the following changes in certain rates, fee, and charges, for the District’s water and wastewater utility system, amendment IX of Chapter I of the Rules.

Effective January 1, 2026, the District proposes an amendment to its monthly water and wastewater rates. This increase brings us in line with the rates charged by St Lucie West Services District (“SLWSD”), as we are presently working toward transitioning our operations and services to SLWSD. SLWSD is currently providing 100% of the District’s water and sewage treatment. These revenues, in addition to covering operating and maintenance expenses of the District, will help fund upgrades the District is making to facilitate this transition and to improve services.
